Accessing the Partium App

Open your browser and input <https://app.partium.io> or scan the QR code below

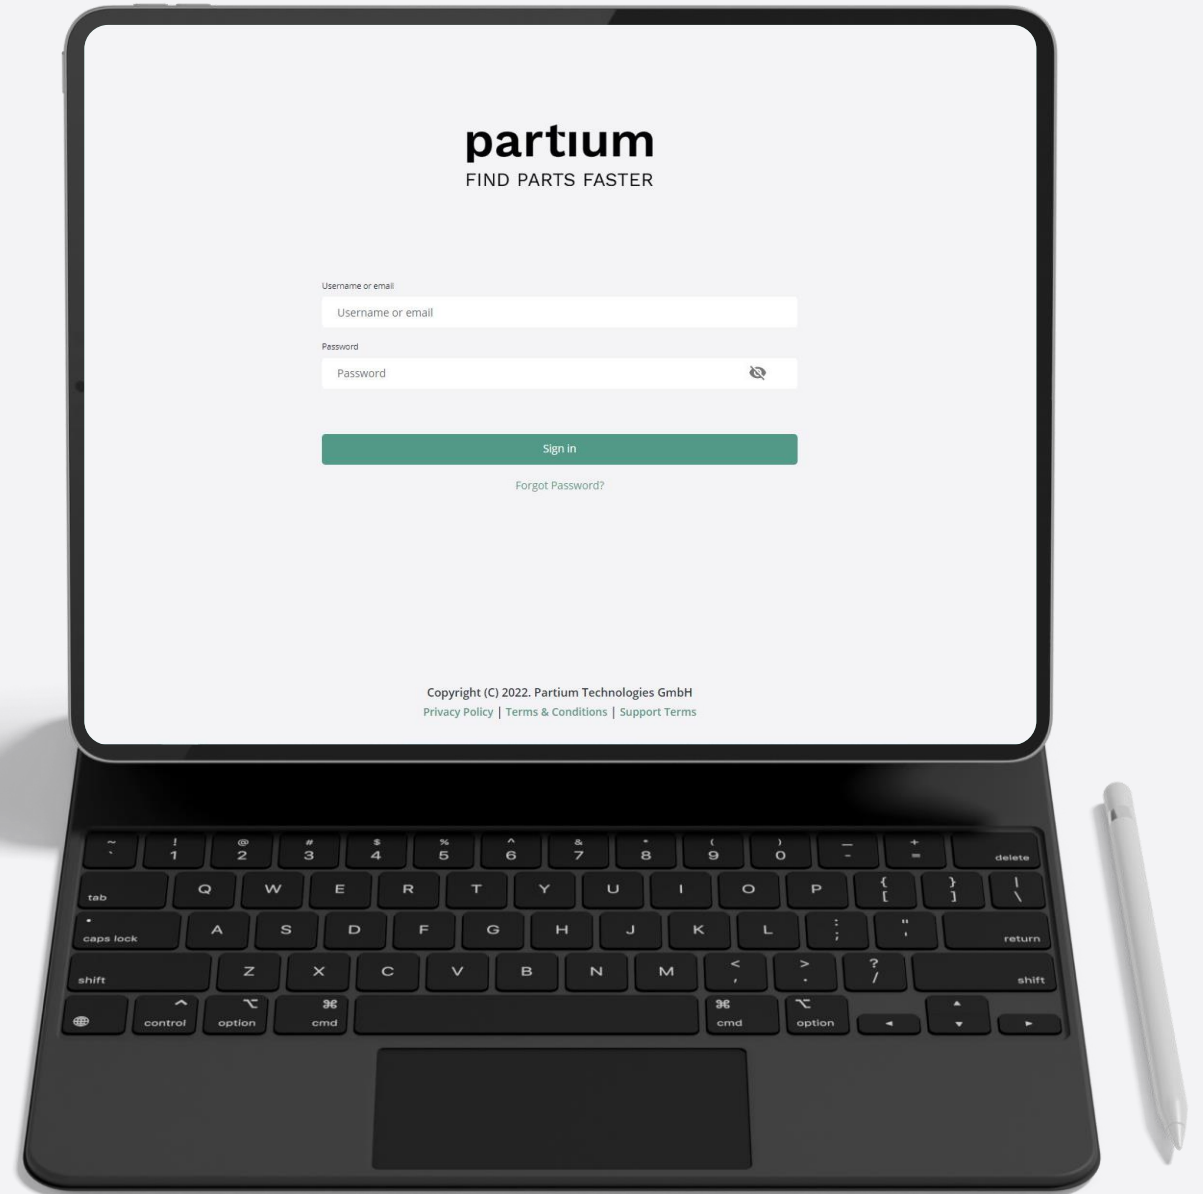

Because of the responsive design the app will adapt accordingly to the device of your choice:
Desktop, Tablet, or Smartphone

Login

Use your email address as username.

When you login for the first time you can set your password by using the “Forgot password?” link below the “Sign in” button. You will receive an email with a link for setting your password.

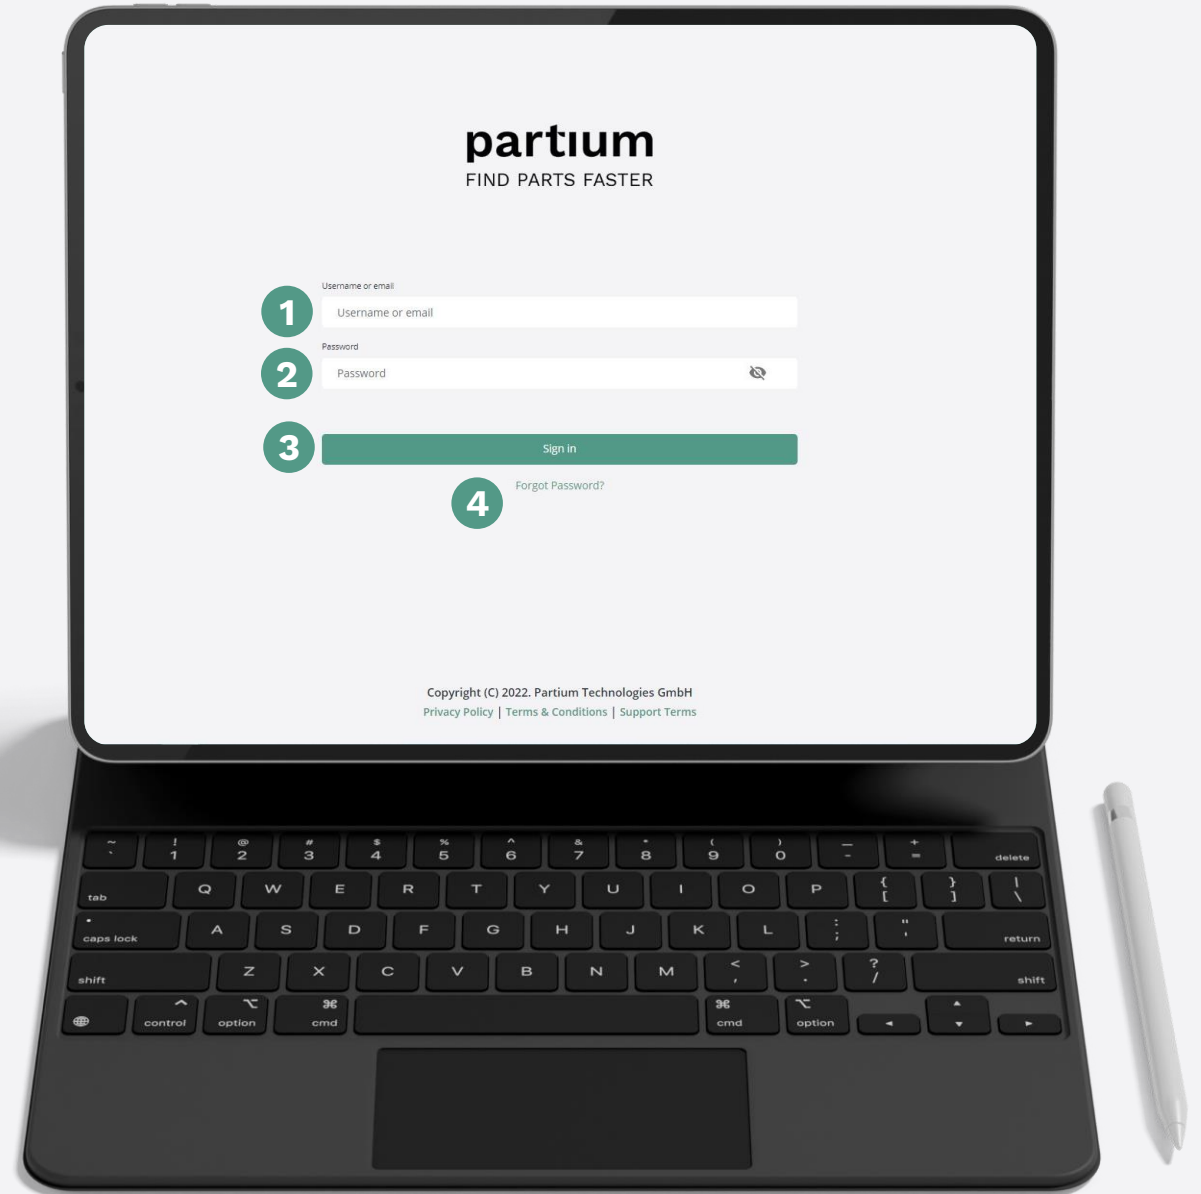

Login

1 Use your email address as username

2 Enter your password

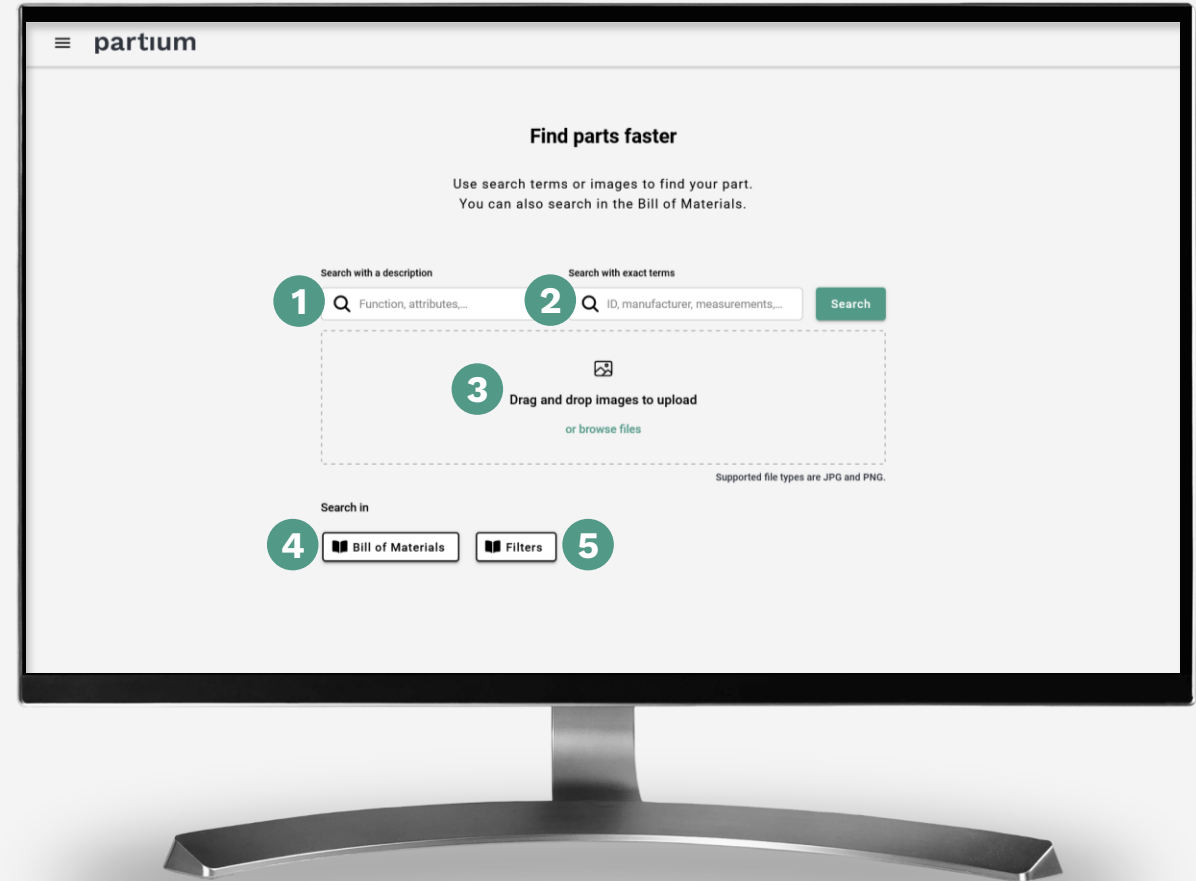

3 Sign in

4 Before first login use “Forgot Password?” to receive an email and set your password

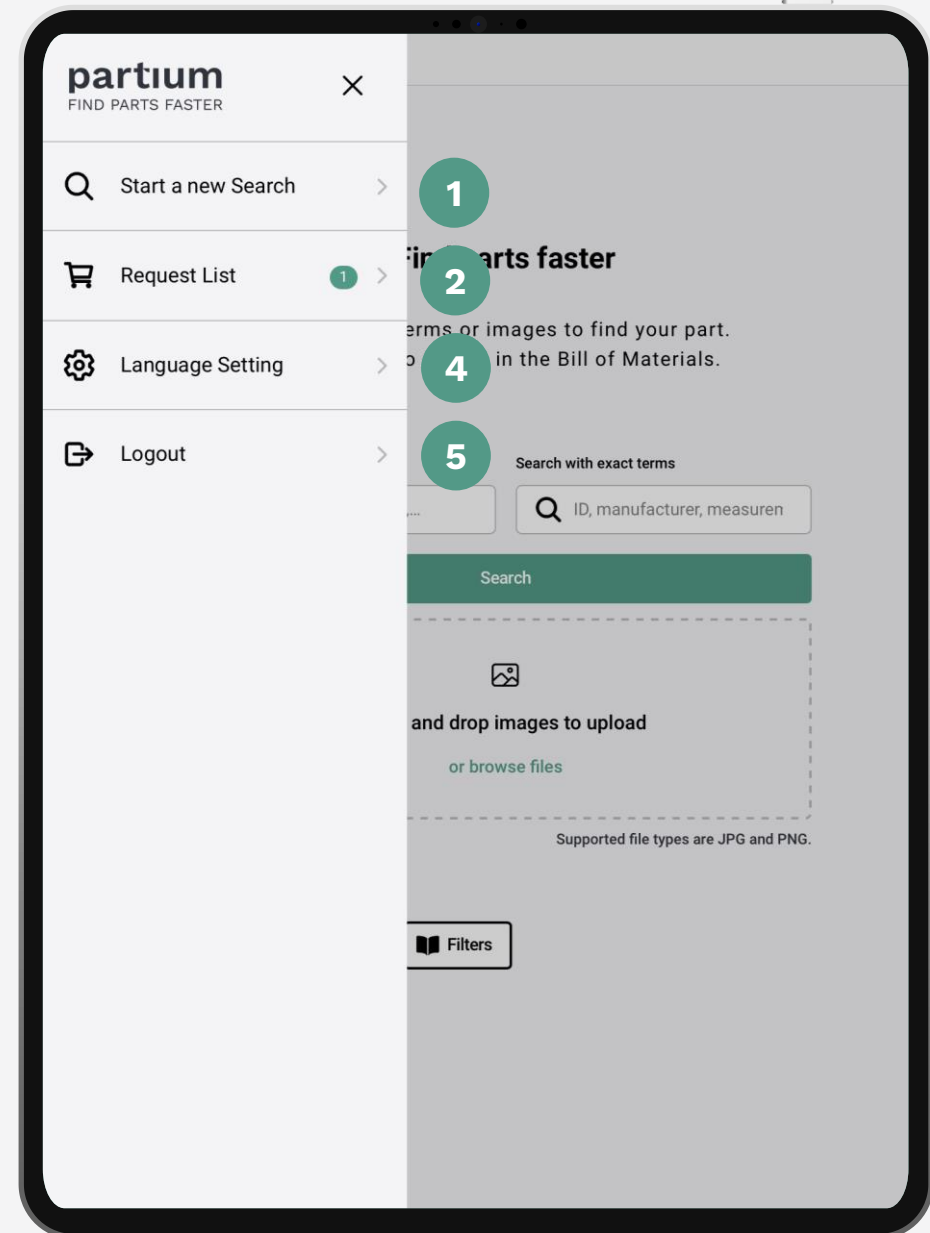

How to start a search

- 1 Search for your part with descriptive text
- 2 Search for your part with exact terms
- 3 Search for your part with an image
- 4 Browse through bill of materials
- 5 Search through filters

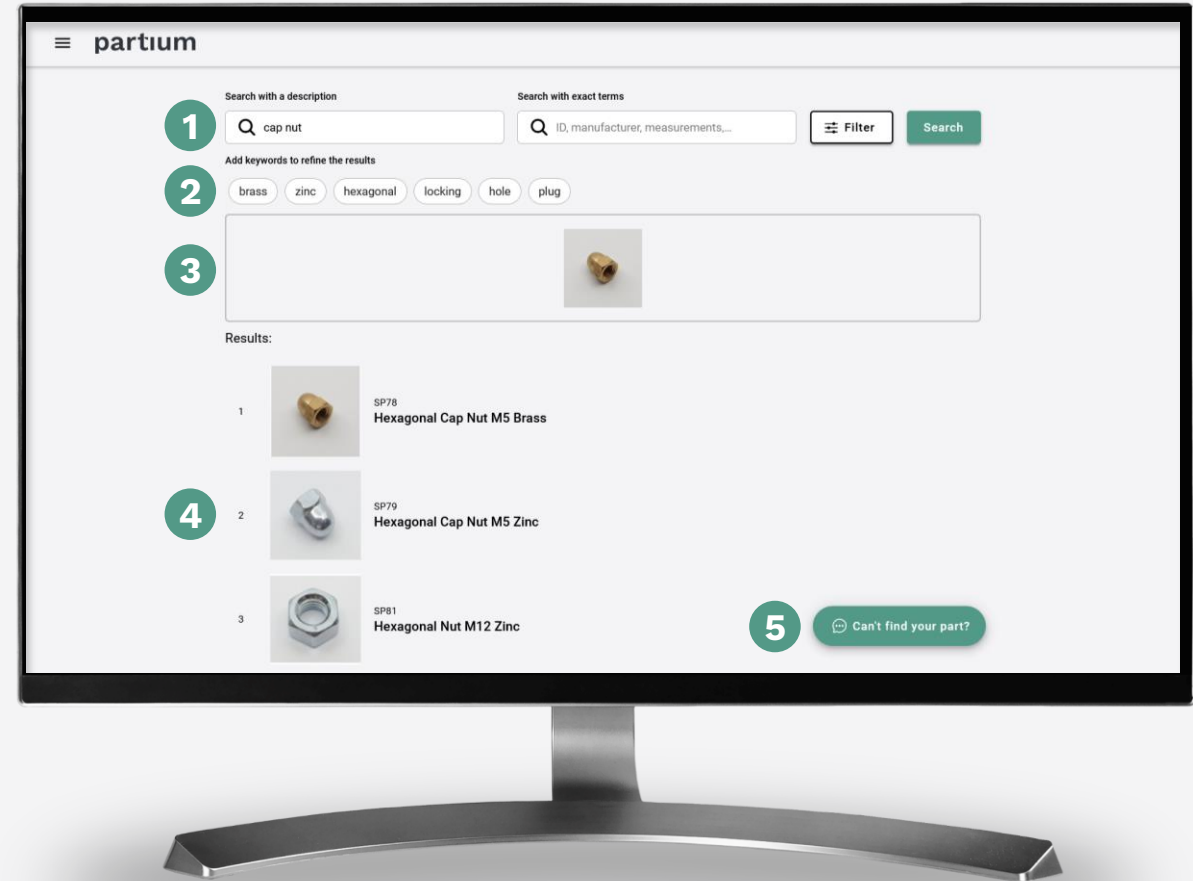

Menu

- 1 Start a new, fresh search
- 2 See your request list
- 3 See your recently viewed parts
- 4 Change between app languages
- 5 Logout

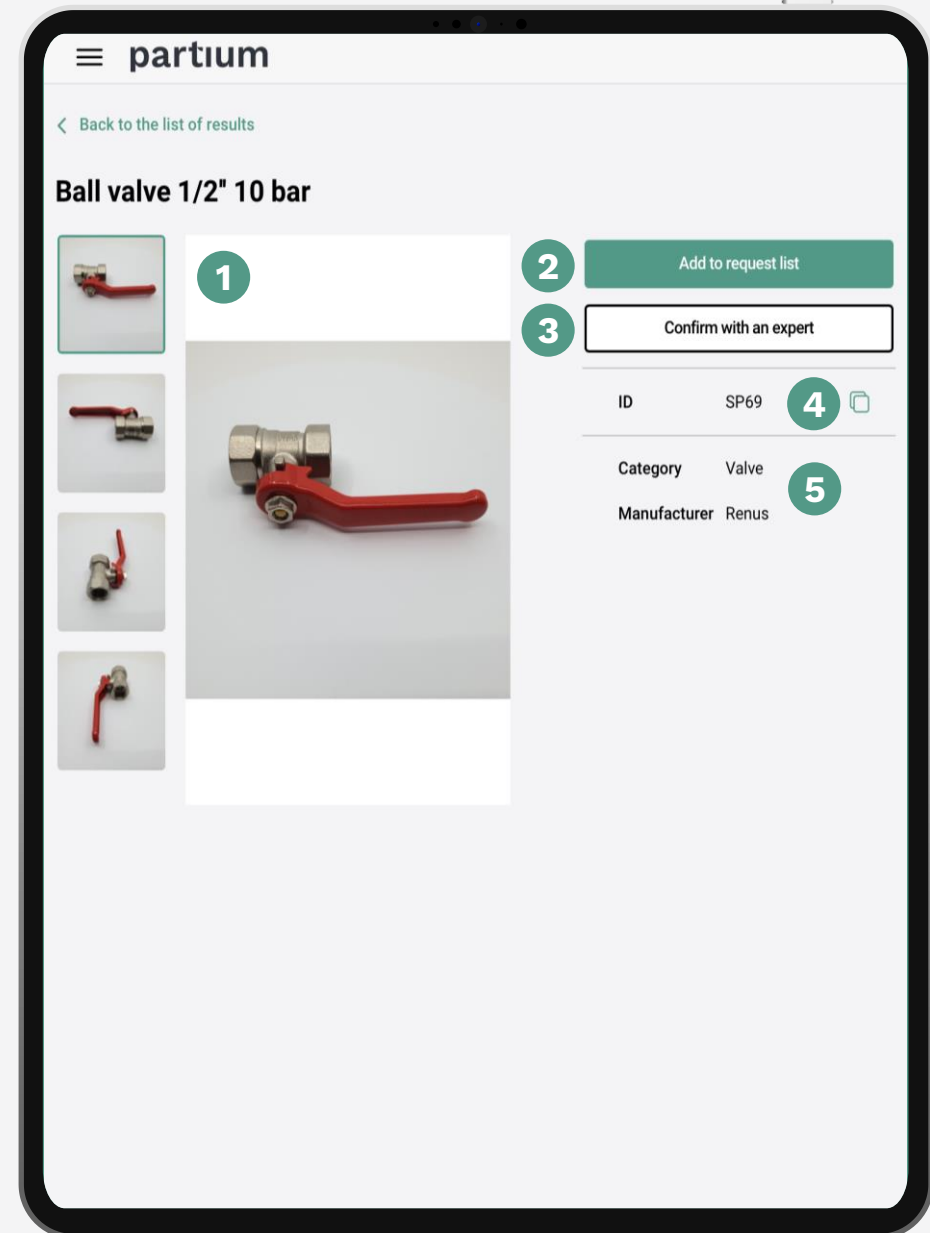

Result List

- 1 Refine the text search or set a filter
- 2 Add suggested keywords
- 3 Upload or view the query image
- 4 Browse through the suggested results
- 5 Contact a customer service agent to ask for help

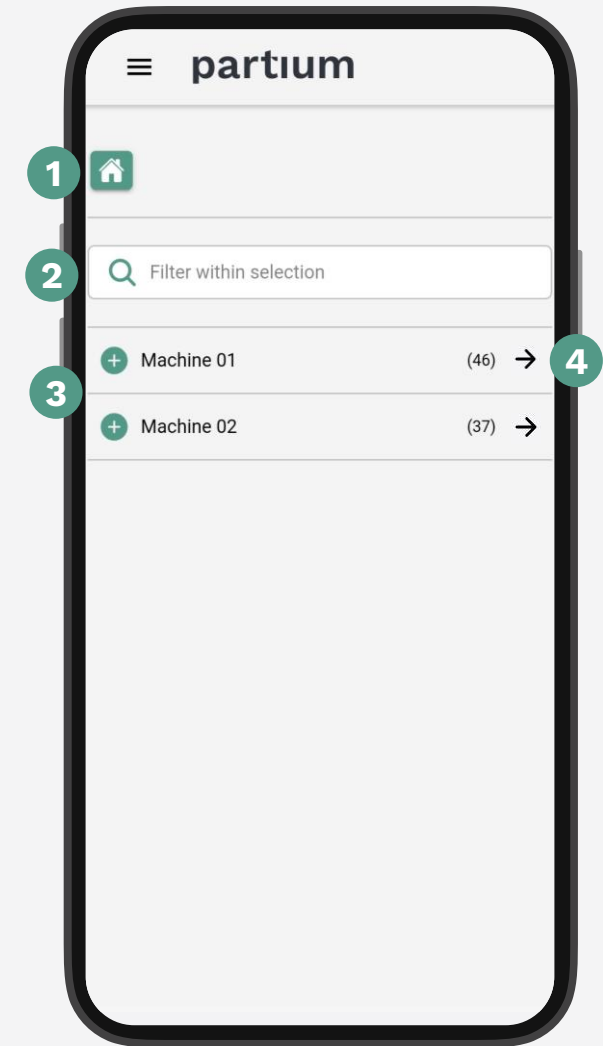

Part Details

- 1 Thumbnails of the part
- 2 Add part to the request list
- 3 Contact a customer service agent to confirm the part
- 4 Copy to part ID to the clipboard
- 5 Attributes of the part

Bill of Materials

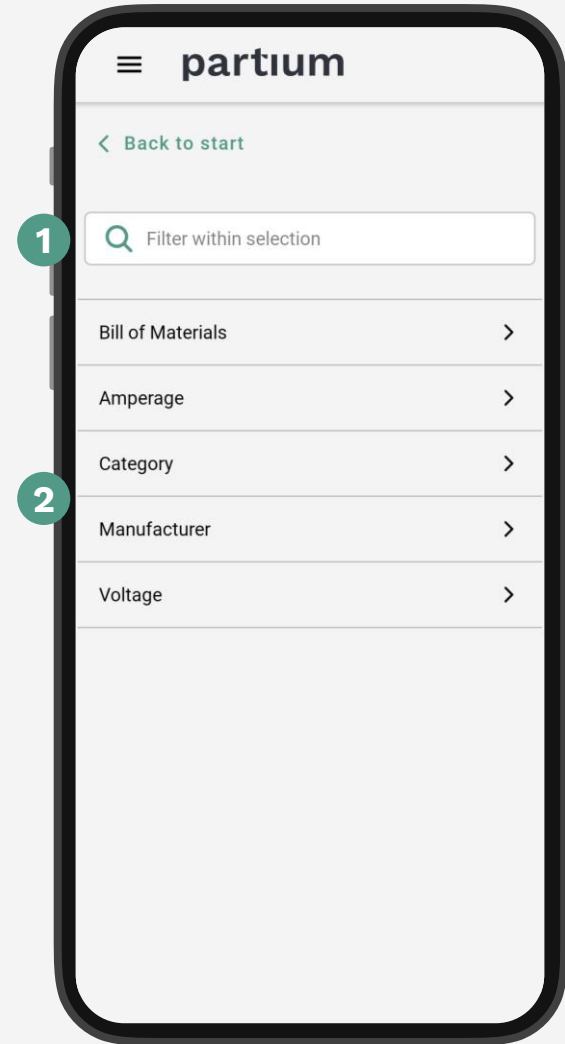

- 1 Interactive breadcrumbs
- 2 Filter within BoM
- 3 BoM list
- 4 Navigate deeper into the hierarchy

Filters

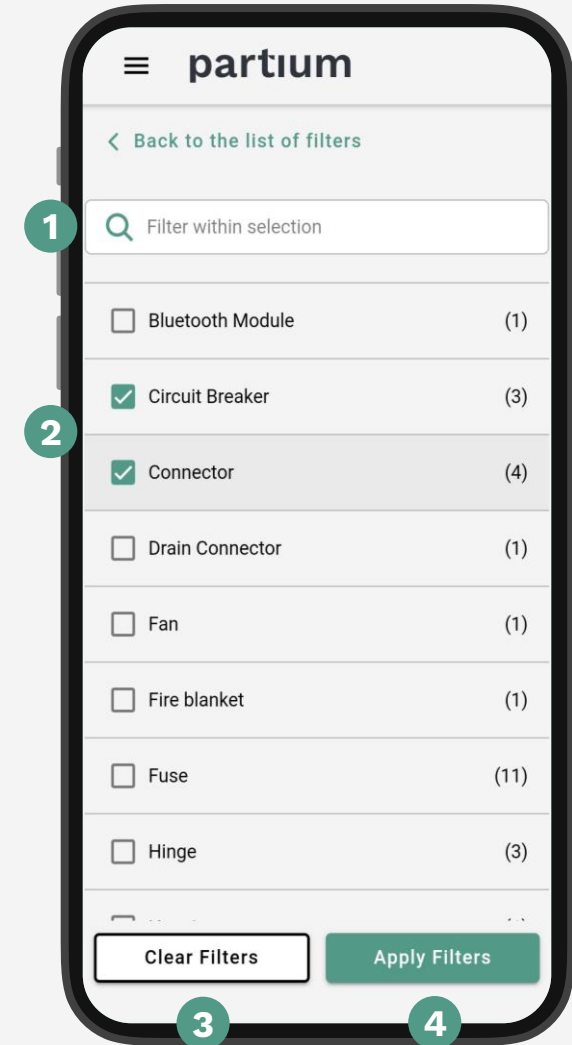

1 Search in filters

2 Select a filter

Filter Values

- 1 Search in filter values
- 2 Select filter values
- 3 Unselect all filter values
- 4 Apply selected filter values to search

Customer Service Agent (CSA)

1 Details of the part the user would like to confirm (n.a. from result list)

2 The query image and up to 5 additional images

3 The text query

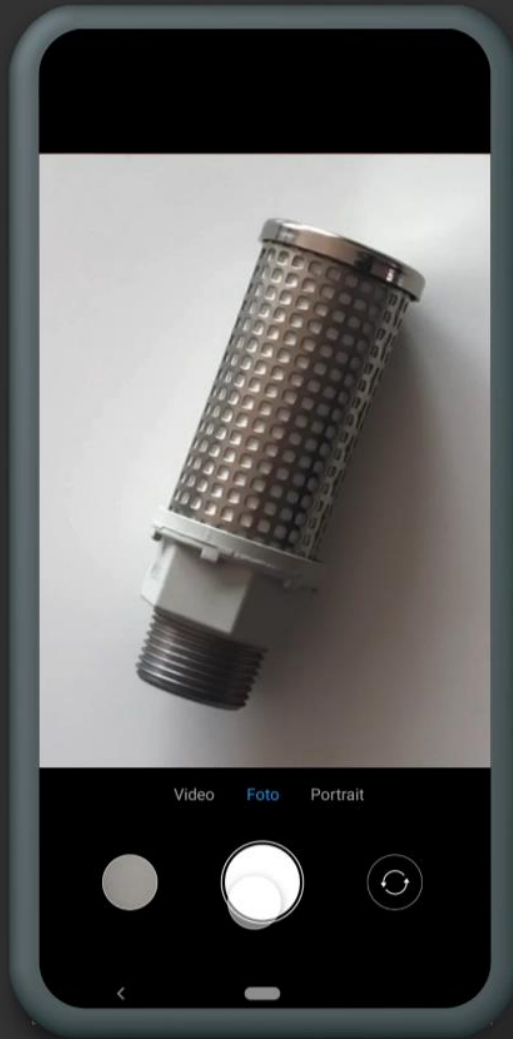

4 The selected bill of materials and any other filters

5 A message for the CSA

The screenshot shows the Partium mobile app interface. At the top, the 'partium' logo is visible. Below it, a message states: 'This form is prefilled with the information from your latest search session:'. The main content area is divided into several sections:

- Part to Confirm:** Features a small image of a red ball valve and the text 'SP69 Ball valve 1/2" 10 bar'. A green circle with the number '1' is positioned to the right of this section.
- Photos of spare part (up to 5):** Includes the instruction 'Original Query image can't be deleted.' and a dashed box for image upload with the text 'Drag and drop images to upload or browse files'. Below this is a 'Query image' thumbnail. A green circle with the number '2' is to the right.
- Entered text query:** Shows 'With a description: ball valve' and 'Exact terms: Not performed'. A green circle with the number '3' is to the right.
- Locations in Bill of Materials:** Displays a breadcrumb path 'Home > Machine 01'. A green circle with the number '4' is to the right.
- Selected filter:** Shows 'Category: Valve'. A green circle with the number '5' is to the right.

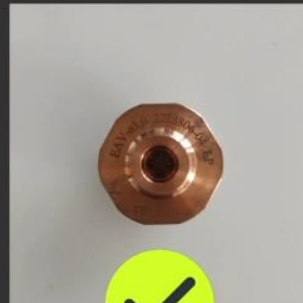

At the bottom, there is a text input field with the placeholder 'Please provide additional information to know the context of your part search (max. 200 characters)' and a character count '0/200'. Below the input field are two buttons: 'Cancel' and 'Submit'.

Tips for taking the perfect picture

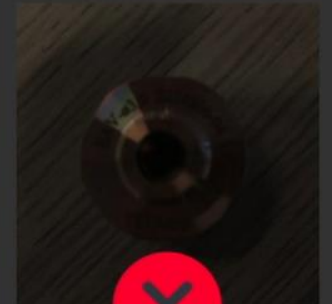

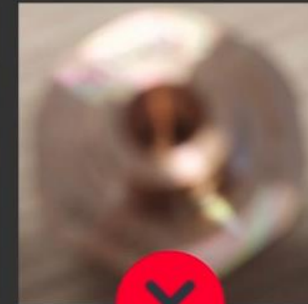

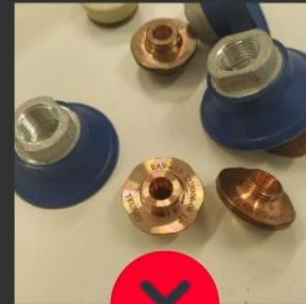

Do

- center spare part
- focus on spare part

Avoid

- avoid multiple objects in one image
- avoid cropping the spare part
- avoid over or underexposure

Test images

If you don't have a part physically at hand but want to test your Partium app, you can use one of the images on the following slides.

These parts were selected as representative parts of your part catalogue.

Please review if the part you were looking for matches one of your results by comparing the ID on the slide.

Test image 1

Part ID:
SP69

Part name:
Ball valve 1/2" 10 bar
